My Dear Miss Pitt:-

Your letter of May 23rd. was received and I was very glad to hear from you for I missed you very much when you did not come out to us any more with your cheery smile and good work - all the patients just adored you - we were all greatly disappointed when we heard that you could not be with us on the day of the pageant - you can well imagine how anxiously we watched the weather on that day - fortunately, it was a good day with only a few threatening clouds. The patients really did very well without any direction whatsoever and their costumes were very picturesque and added much to their performance.

I am enclosing a post office money order for twenty-five dollars for your services in connection with the May Day Pageant - will you please sign the enclosed statement and send it to Dr. S. Metz Miller for his records as your order comes from the amusement fund - I cannot apologize in any way adequately for the delay in sending you this order - it was simply impossible to send you the order before because the hospital was at the close of its fiscal year, May 31st., and no bills could be paid out until the new year began - when Dr. Miller explained this to me I realized it would just be necessary to wait and I know you will understand this delay.

It was very nice to have you come out and help us in the pageant. I trust that you have a very pleasant summer and that you found your Father in good health. I am leaving for California next week and I am anticipating the trip very much. We are going out by the Canadian Pacific and I am looking forward to all that beautiful scenery we will pass through as we come to the Banff district.

With all best wishes for your future success, I am  
Sincerely yours,

Elise Blanchard, M.D.
